# Stay WELL-Informed

MAY 2025

## Story of the Month

**Develop confident, capable Team Leaders with our Level 3 Apprenticeship programme**

**Empower your Team Leaders with practical, future-ready skills.**

Are your Team Leaders equipped to lead with confidence in today's evolving workplace?

Our Team Leader/Supervisor Level 3 Apprenticeship is designed to strengthen leadership from the ground up.

Whether you're looking to upskill current supervisors or build a pipeline of first-line managers, this programme provides the tools needed to thrive and blends theory with real-world leadership challenges to build lasting impact.

What they'll gain:

- Leadership styles and models
- Team and people management (incl. EQ & inclusivity)
- Business planning and problem-solving
- Communication and time management
- Coaching and mentoring for personal growth
- add-on: Level 3 CMI qualification (Award, Certificate, or Diploma).

**Future leaders aren't found, they're developed.**
